# Spot the Difference with Harry

Can you spot the 20 differences in these pictures from the paperback book, *The Four Seasons*? Harry is driving Fiery Fox.

Some are easy, others very hard. There's a secret web page which shows all the differences by flashing one image over the other so your brain can "magically" see them. [PetersRailway.com/spot3](http://PetersRailway.com/spot3)

# Oiling the Wheels for you to colour

## Oiling the Wheels

From *Grandpa Goes Bananas*

An engineer is putting oil on the wheels of the locomotive so that they are slippery and can spin on the rails.

The locomotive can spin its wheels fast without moving so that tests can be carried out.
